

## Worksheet #3: Prior Teaching, Training & Coaching Experience

As you consider becoming an on-farm mentor, it is important to assess your teaching/coaching skills and knowledge as well as your farming experience. Use this worksheet to evaluate your skills and traits in these areas

**Experience Summary:** For each category, place a Y (yes) or N (no) in the “Have” column to indicate whether or not you have taught or coached in that setting. For each category where you have answered yes, indicate (with a Y or N) whether or not you were successful at that type of teaching and why, and whether or not you enjoyed it and why.
