

Small Engine Repair and Maintenance

Saturday, November 11, 2023 9:00 AM– 12:00 PM

@

New England Small Farm Institute

270 Jackson St., Belchertown, MA

The staff of **Devon Lane Power Equipment** will lead a hands-on workshop covering the fundamentals of maintaining and repairing small gas-powered engines such as mowers, chainsaws, tillers, blowers, etc. Topics include: performing regular maintenance steps, essential tools and supplies, diagnostics and troubleshooting, basic repairs, and more.

To register, please contact Sara Weil:
